Re: Sites Connected with Steve Martell
Northeast, Illinois and Northwest, Indiana

Dear Ms. Swales:

I refer to your letter dated July 6, 1987 to F.J. Connor (who has left American Can Company) and which has just been received by me. We will undertake a review of our records to see what information is available to provide to you.

In connection with the sale of our packaging operations in November 1986, environmental obligations relating to the packaging operations were assumed by American Can Packaging Inc. which has now been merged into American National Can Company, which continues to have such obligations.

Accordingly, we are forwarding a copy of this letter to American National Can Company which has records relating to the packaging operations so that they can assist us in obtaining the information requested.

For your information American Can Company has changed its name to Primerica Corporation.

Very truly yours,

cc: G. Kapelman
